Dispersed Camping:

This symbol is used along with a designated road or trail to indicate limited cross-country motor vehicle use within a specific distance of that route, solely for the purpose of dispersed camping. The dots indicate where this activity is permitted. They may be on the left, right, or both sides of the route. Refer to the Dispersed Camping Table for specifics.

Other Public Roads and Trails:

These symbols are used to show routes the Forest Service does not have jurisdiction over and has not designated for motorized use. These symbols are part of the reference layers showing connections to towns and cities outside the forest boundary.

Motor vehicle use off of designated roads or trails for the purpose of dispersed camping is permitted for up to 300 feet from the centerline of road or trail for the same period as permitted for the road or trail.

Motorized vehicle use off designated roads and trails for the purpose of game retrieval is not permitted on the Sacramento or Smokey Bear Ranger Districts.
